

# QUOTATION

Date: July 6, 2025

## Project Description

We are pleased to submit this quotation for the development of three software applications as per your requirements: a Driver Application (mobile), a General Mobile Application, and a Web Application. The applications will be developed using modern technologies, ensuring scalability, security, and user-friendly interfaces. Below is the detailed cost breakdown.

## Cost Breakdown

Description	Quantity	Unit Price (INR)	Total (INR)
Driver Application (Mobile, Cross-Platform)	1	50,000	50,000
General Mobile Application (Cross-Platform)	1	150,000	150,000
Web Application (React-Based)	1	250,000	250,000
<b>Subtotal</b>			450,000
<b>GST (18%)</b>			81,000
<b>Total Amount</b>			<b>531,000</b>

## Terms and Conditions

- Payment Terms:** 50% advance upon project initiation, 30% upon completion of development, and 20% upon delivery and acceptance. Payments to be made via bank transfer to the account details provided below.
- Delivery Timeline:** Estimated completion within 3 months from project initiation, depending on final requirements and feedback cycles.
- Scope:** Costs cover design, development, testing, and deployment. Any additional features or changes to the scope will incur extra charges, to be mutually agreed upon.
- Maintenance:** Post-launch maintenance is not included and can be provided at an additional cost of ₹50,000 per application annually.
- Confidentiality:** All project-related information will be treated as confidential.
- Warranty:** 3-month warranty for bug fixes post-deployment, excluding new feature requests.
- Validity:** This quotation is valid until August 6, 2025.
